2021 SUMMER OFFERING

FEATURING EXTRAORDINARY WINES
FROM

NEW ZEALAND

Craggy Range Te Muna Sauvignon
Blanc, Martinborough
2019

This style of Sauvignon Blanc from Martinborough provides a unique counterpoint to the greener/fruitier styles of Marlborough. In contrast this wine has a more subtle bouquet that is flinty & creamy yet still showing lemon peel, pears & green apple varietal character. The palate is medium bodied with lemon curd complexity & a long crisp finish. Try with fresh oysters & lemon. Drink now to 2024.

Campbell Kind, Steve Smith,
Sauvignon Blanc, Marlborough
2018

This is classic Marlborough Sauvignon Blanc. The aromas burst from the glass with layers of citrus, passionfruit, bell pepper, snow peas & stoney minerality. The palate is fresh, bright & medium bodied with clean fresh fruit flavours & a crisp mouth watering finish. Try with goat cheese & arugula salad. Drink now to 2023.
